MHE8218 – Felix Mirror

Contemporary

Our Felix Mirror is a geometric styled piece. The small hexagonal frame takes on a retro design, modernized for 2018 and beyond with an acid treated copper finish. The mirror of the frame has a bevel, enhancing its overall look. The versatility of the piece allows it to work well on its own or grouped in multiples. Saw tooth hangers are affixed to the back of the frame so that the mirror is ready to hang right out of the box!

Specifications
