MHE8405 – Metropolis Mirror

Industrial

Urban decor has often taken its lead from industrial elements of the past. Our Metropolis Mirror features a play on geometric shapes. The frame, formed from iron, is fashioned into a square windowpane design. The graphite finish blends to create this unique, industrial look. This collection is so versatile that many of our accent tables and decorative accessories can easily be paired up to make a statement. Keyhole slots are manufactured into the back of the mirror so the piece is ready to hang right out of the box in a square or diamond orientation!
