MHE8422 – Sienna Round Mirror

Coastal & Farmhouse

Our Sienna mirror is perfect for your au natural look. The frame is inspired by a field of pansies that grew outside the designer's Great-Grandmother's window. The rich earthy color and distressed finish gives the frame the feel of a treasured family heirloom passed down through the generations. The round frame is designed to look like flower petals encircling the mirrored glass. The weathered neutral finish will lend itself to any design style. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The mirrored glass on this piece has a bevel adding to its beauty and style.
