MHE851-1285 – No Tip Cylinder- Panama Stone

The No-Tip Cylinder is constructed with a dense light-weight foam and then topped off by a soft, high quality foam making it sturdy yet comfortable. Its unique design allows weight to be distributed evenly keeping it from tipping like most foam ottomans. The Panama collection uses various neutral and gray tones woven together in a soft to the touch fabric that is easily removable for washing or a quick trip to the dry cleaner. Get the Tray Accessory that when fitted on the top, turns this piece into a side table in seconds! Move to the bottom of the piece and use as a base, for when extra seating is needed.
