MHE8585 – Silas Silver Mirror - Small

Contemporary

The Silas Mirror is a simple mirror, but big on style. It features a deep concave round frame with grooved edges. It is finished in a rich country silver leaf. What really makes this piece remarkable is the convex mirror which makes for the most interesting reflections. On its own, in multiples or grouped with the other available sizes, the Silas Mirror is a perfect accent piece for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box!
