MHE89136 – Lipari Cylindrical Jagged Edged Free Formed Vase

The Lipari Collection is named for the deep azure-colored waters surrounding the Mediterranean island of Lipari. The deep rich glossy color tones are highlighted by the free form shape and slight texture. Created from handmade molds and finish detailed by expert artisans, this cylindrical jagged edged top vase takes on a uniquely artist flair either alone or in a grouping with the rest of the collection. Each piece is truly a work of art.
