Accessories

MHE89156 – Larek Asymmetrical Charcoal Gray Contemporary Ceramic Short Vase

Each vase boasts a modern asymmetrical form, lending an intriguing sense of dynamism to its appearance. The charcoal gray finish adds a touch of understated elegance that complements any decor style. This vase is not just a vessel; it is a sculpture that invites you to explore the balance of form and function. This vase allows you to curate your space with a sense of contemporary flair and refined aesthetic sensibility, transforming your living area into a gallery of modern design.
