MHE91137 – Sycamore Vase- Short

Inspired by the texture of the bark of Sycamore trees in our local forest preserve. After collecting bark samples from older trees that were being removed, we used the samples to create a version of the pattern in cast aluminum. The Sycamore tall vase is finished in a rustic gold that highlights the deep groove texture as well as the rough cut top rim. Each vase brings a touch a nature to the home in a refreshing new whimsical way.
