MHE91148 – Zaha Round
Repeat Vase, Large

Accessories

Architecture of the 60's and 70's were the inspiration for the Zaha collection of cast aluminum vessels. Taking simple geometric shapes like the circle and the oval and repeating them in various dimensions gives each piece a depth that adds interest and structure. Each are finished in an ombre 'effect from matte black to rustic gold. The collection of these vessels adds a simple modern element to today's eclectic lifestyle trend.
