MHE92234 – In the Moonlight Hand Painted Original Art

Into the Moonlight depicts an abstract city scape reflecting off the nearby water by the light of the silvery moon. The paint is heavily applied by hand creating an interesting depth of texture. Because it is hand painted, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating silver leaf wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box in either a vertical or horizontal orientation.
