MHE92263 – Ocean Wave #2 Hand Painted Original Art

The rich tones of turquoise and teal combine to create a tranquil state of mind in our Ocean Waves Hand Painted Canvas Wall Art. Tranquil ocean pools are filled with the wonders of algae and sea life depicted in abstract forms in metallic gold leaf. Thick layers of paint are hand applied to create movement and texture. Because it is hand painted, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating black wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box.
