MHE92269 – Winston Mirror

Our Winston Mirror perfectly illustrates both form AND function. The simple round wood frame is only visible from the side. When revealed, it features a rich gray wood stain finish. What makes the mirror unique is the shelf placed across the front of the beveled mirror. The utilitarian appeal of this piece makes it perfect for a bathroom, vanity, entryway or really ANY room in your home! D-rings are affixed to the back of the mirror so it is ready to hang right out of the box!
