MHE92278 – Black & White Test Hand Painted Original Art

Vintage images of early printing presses & print blocks became a quick inspiration for the Black & White Test Hand Painted Canvas Wall Art. The mixtures of ink applied to the print blocks created an incredible palate to start from. The hand painted design is accented with touches of bright silver and blue giving the image an updated contemporary feel. Thick layers of paint are hand applied to create movement and texture. Because it is hand painted, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating silver leaf wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box.
