MHE92288 – Abstract Strength Hand Painted Original Art

Abstract Strength Hand Painted Canvas Wall Art combines bold colors and aggressive brush strokes by hand to create this abstract image of strength and masculinity. Dimensional texture is hand applied to give depth to the look of a broad shouldered individual pushing forward through difficulty and strife. Because it is hand painted, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating gold leaf wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box!
