MHE92292 – Tribal Story Hand Painted Original Art

The world is made up of thousands of individual tribes of people. Early works in crude sketches and paintings told stories of day to day life. In very a small way with Tribal Story, our hope would be that these stories are never forgotten. Thick layers of paint are hand applied to create movement and texture. Because this is an original hand painted work of art, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating black wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box in either a horizontal or vertical orientation!
