MHE92298 – Hotter than Hot Hand Painted Original Art

Hotter Than Hot Hand Painted Canvas Wall Art is the title for this inspirational piece. The vibrant red hues give way to dark black and cool purple hues conjuring the feeling of sitting in front of a roaring fire. We took that image and used it in an abstract that will fire up the passion and emotion in each of us. Thick layers of paint are hand applied to create movement and texture. Because it is hand painted, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating black wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box in either a horizontal or vertical orientation!
