MHE92301 – Calm Sea Hand Painted Original Art

Calm Sea was inspired by one clear day walking along the beach in the keys. The sound of the waves gently caressing the shore line removed all hints of the days stress. Vacation had officially started! Thick layers of paint are hand applied to create movement and texture. Because this is an original hand painted work of art, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating white wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box!
