MHE92305 – Public Speaker Hand Painted Original Art

Last fall I was asked to give a presentation to 20 people concerning an upcoming project. This represents exactly how I felt that day as I walked into the conference room. NO LIE!!! Thick layers of paint are hand applied to create movement and texture. Because it is hand painted, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating black wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box in either a horizontal or vertical orientation!
