MHE92310 – Under The Bridge Hand Painted Original Art

After hours of watching the flow of the rushing river, a pattern began to take shape. That vision was the inspiration for Under the Bridge. Thick layers of paint are hand applied to create movement and texture. Because this is an original hand painted work of art, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating silver leaf wood frame. Hardware is attached to the back of the art so that it is ready to hang right out of the box in either a horizontal or vertical orientation!
