MHE92312 – Highlands Hand Painted Original Art

As I stood on a hill in Northern Scotland, I was awe struck by the most beautiful sunset I had ever seen. The peacefulness I felt in that moment, all those years ago, is still with me to this day! Thick layers of paint are hand applied to create movement and texture. Because this is an original hand painted work of art, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating gold leaf wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box!
