MHE92313 – Stormy Clouds Hand Painted Original Art

One evening on my travels to Ireland, I was awe struck by the sunset off the coast. As the sun lowered, the lush green of the hills took a bow to the gold and amber sky as it took center stage. The gallery wrapped canvas is set into a floating gold leaf wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box!

Specifications
