MHE92317 – Floral Cascade Hand Painted Original Art

One morning as I walked into breakfast with my Grandmother, I could not help but notice the extra large bouquet of fresh flowers on the table set for two. When I asked why such a large arrangement, she smiled and said, We should have beautiful things around us, always. Thick layers of paint are hand applied to create movement and texture. Because this is an original hand painted work of art, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating black wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box in either a horizontal or vertical orientation!
