MHE92325 – States Of Color Hand Painted Original Art

Our States of Color Hand Painted Art is urban graffiti art translated for today's emerging contemporary artists. Thick layers of paint are hand applied to create movement and texture. Because this is an original hand painted work of art, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating black wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box in either a horizontal or vertical orientation!
