MHE92331 – Fall Begins At The Farm Hand Painted Original Art

Fall at the farm meant long nature walks to take in all of the fall foliage. The woodlands to the meadows would suddenly take on the appearance of mother nature's colorful palette. Each color blending together so artistically that it seemed to be endless. Thick layers of paint are hand applied to create movement and texture. Because it is hand painted, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating gold leaf wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box.
