MHE92332 – Meadow Hand Painted Original Art

During my childhood summers, my family would head to the family farm. The small one lane road was overgrown and forgotten. Every morning I was encouraged to take a walk. I was given a bag and in it I collected anything I found interesting. Later, I held everyone's attention with a show & tell session of my findings. Thick layers of paint are hand applied to create movement and texture. Because this is an original hand painted work of art, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating gold leaf wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box!
