MHE92335 – View From The Window Hand Painted Original Art

My view from our 11th floor kitchen window always made the task of cleaning the dishes much more enjoyable. It also became the inspiration for this piece so I can always remember 8th Ave in Manhattan. Thick layers of paint are hand applied to create movement and texture. Because this is an original hand painted work of art, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating black wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box!
