MHE92336 – Red Tulips In Vase Hand Painted Original Art

After a long winter, I could hardly wait for the first bulbs to start blooming in the garden. One early spring, the first flowers in bloom were the red tulips. Proud as can be, I made my way out to the garden, thinking Today is the BEST day ever! Thick layers of paint are hand applied to create movement and texture. Because this is an original hand painted work of art, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating gold leaf wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box!
