MHE92348 – Call It Dreamy Hand Painted Original Art

While working in the garden on hot summer day, I stopped long enough to sit in the shade to cool off. I started daydreaming that the big white fluffy clouds drifted down and into the flowers. As I sketched a quick idea of the composition, I realized how much I love the garden for inspiration. Thick layers of paint are hand applied to create movement and texture. Because it is hand painted, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating black wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box.
