MHE92365 – Color Explosion Hand Painted Original Art

The vibrant colors mixing and blending together was the start of a work that is entitled Color Explosion. Strong brushstrokes and texture played an important role in creating this piece. The goal was to complete a composition that warmed the eye and entertained the mind. Thick layers of paint are hand applied to create movement and texture. Because it is hand painted, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating gold leaf wood frame.
