MHE92405 – French Blush Anemone Bouquet

One morning while walking through the local farmers market, I happened to come across a gorgeous bounty of freshly cut peach colored anemone bouquets. Since these are one of my most favorite flowers, I snatched up several bouquets and headed home. After a few days the blossoms started to fade so I thought it would be a perfect time to create the work entitled French Blush Anemone Bouquet. Now these little flowers can last all year round.
