Mirrors

MHE94056 – Klein Mirror

The flow and expression of the Klein mirror comes directly from the industrial abstract movement in the early 1960s. As construction of modern urban living spaces became the norm, material such as steel and mirror evolved into home decor. Home decor started to reflect the lines and finishes such as what we have selected for the Royal Blue Klein Mirror. Whether its hung vertical or horizontal this mirror reflects the flow of modernism.
