MHE94083 – Irina Mirror

Mirrors

The beautifully shaped Irina mirror features flared angled corners and a thin framed profile in a matte black finish. Designed to maximize the mirrored view this thin profile of a frame fits in with today's hottest trends. From a traditional setting to an industrial loft, this mirror flows effortlessly through many lifestyles. Perfectly at home hung vertically as a dressing mirror or hung horizontally over a credenza, the Irina mirror delivers a designer look where ever it is placed.
