

Mirrors

MHE94146 – Kenworth Modern Mirror

The Kenworth Modern Mirror is an optical illusion encased in a sleek steel gray frame. This mirror creates a dimensional effect that appears to float off the wall. The frame is almost frameless in design, accentuating the oval-shaped mirror placed within, allowing it to stand out with its beveled edges. With d rings on the back for easy hanging, the Kenworth Modern Mirror is both stylish and convenient.
