# Mirrors

## MHE99016 – Sybil Mirror

The Sybil Mirror is a grand piece. Topping out at 54 x 72 it commands any room that it is in. The concaved frame is octagonal in shape and is mirrored offering the most amazing reflections of light and color. Each mirrored panel has a small bevel adding to its style and beauty. It is a perfect focal point for an entryway, dining room, bedroom or any room in your home. Make any room look instantly larger simply by adding the Sybil Mirror to its design.
