Mirrors

MHE99169 – Lattice Mirror

The Lattice Mirror is a dazzling piece of curved, geometric shaped mirrored functional art. The piece is made up of a network of interlocking mirrored curvy shapes creating a lovely open work, lattice design. On its own or in multiples, the Lattice Mirror is a perfect accent piece for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in a square or diamond orientation! Each mirrored panel on this piece has a small bevel adding to its beauty and style.
