MHEQ876-1332 – Outdoor Pouf Bench-Driftwood Natural

The Driftwood Collection consists of a selection of woven fabrics that are extremely soft and comfortable to the touch. Constructed and sewn by hand in our Chicago facility, the Pouf Bench used alone or paired with the Pouf Chair is perfect for today's indoor outdoor style of living. Durable enough to withstand the elements and heavy daily use, these cozy natural cream colored benches will become your favorite resting place to sit or put your feet up.
