

Mercury Glass

MRE1365 – Arctic Shell

Restoration Elements

The warm charm of vintage style is never more apparent than in the beauty of antique silvered glass. In this distinctive pattern, mottled colors mingle with metallic for a softened effect, warming hard edges to a burnished shimmer for enhanced pattern versatility. Designed for both durability and beauty, the adaptable nine color palette will be sure to charm as long, and longer than its mirrored ancestors.

Specifications

Content Non-woven backed Vinyl

Width 54"

Weight (oz/lyd) 20
