District MRE1449 – Fog Transit

Restoration Elements

The streamlined simplicity of industrial design has become a modern classic, sophisticated yet warmed by aged patina in Restoration Elements Wallcoverings; it defines the aesthetic of a new generation. Printed on a vinyl surface with non-woven substrate backing, this highly durable commercial wallcovering smooths effortlessly, is easy to remove, and meets Type II requirements of CCC-W-408A. Featuring a trellis of stitches, mapped out against a simulated silk weave ground in a neutral array, District pattern is available in five elegant colors.
