Edison

MRE1468 – Glimmer

Other Available Colors:

Edison Wallcoverings from Restoration Elements features metallic filaments and an industrial mesh screen against a textural diminutive weave, romanced with a geometric hint of shimmer. Printed on a vinyl surface with an Osnaburg fabric backing, this highly durable commercial wallcovering guarantees a reliable bond between the wallcovering and the wall with superior stability that rounds corners easily and meets Type II requirements of CCC-W-408A. Edison is available in a palette of nine color choices.
