MRE1531 – Fog Transit

Restoration Elements

An organically inspired horizontal texture, punctuated with sheen and metallic touches, has the textural hand and visual impression of a natural grass or woven. This perception is increased by an eleven-color palette which uses ground colors derivative of earth-based dyes. Printed on a vinyl surface with non-woven substrate backing, this highly durable commercial wallcovering smooths effortlessly, is easy to remove, and meets Type II requirements of CCC-W-408A.

Specifications

Content Non-woven backed Vinyl
Width 54"
Weight (oz/lyd) 20
Weight (oz/sqyd) 13.33
Type Type II
Backing Non-woven
Pattern Match Random reversible
Fire Rating Class A
Flame Spread 25
Smoke Developed 35

Environmental

NSF 342
CA 01350
