### MRE1625 – Slate Ridge

#### Restoration Elements

Inspired by decorative architectural entranceway supports, the deeply embossed horizontal stacked stone and bridge pattern becomes a textural backdrop of classical geometric design. Twelve colors offer a broad-spectrum palette of monochrome options influenced by natural building materials. Printed on a vinyl surface with an Osnaburg fabric backing, this highly durable commercial wallcovering guarantees a reliable bond between the wallcovering and the wall with superior stability that rounds corners easily and meets Type II requirements of CCC-W-408A.
