MRE1649 – Shadow

Other Available Colors:

The strong vertical columns which define the architectural form of post and lintel construction create a pattern of embossed, variegated channels, offset to form a cascade with modern elegance of line. An eleven-color palette of neutrals and burnished metallics offer clean, classical design with a rich light play of shimmer and shadow. Printed on a vinyl surface with an Osnaburg fabric backing, this highly durable commercial wallcovering guarantees a reliable bond between the wallcovering and the wall with superior stability that rounds corners easily and meets Type II requirements of CCC-W-408A.
