

Rockwell

ROK1807 – Linen

Acoustical Resource

Rockwell is new to the MDC Acoustical collection, adding a sponge-like appearance to a familiar covering. The porous appearance adds an extra dimension to the organic tones of the palette.

This wallcovering features Fosshield, an advanced FDA cleared antimicrobial technology incorporating silver and copper ions into the fiber, which naturally attack microbes, delivering surface protection in addition to reducing the growth of bacteria, mold, mildew and odor.

Specifications

Contents Recycled Polyester

Width 54"

Weight (oz/lyd) 24

Weight (oz/sqyd) 16

Type Medium

Backing Fused Polyester

Pattern Match Random reversible

Fire Rating Class A

Flame Spread 15

Smoke Developed 15

NRC Rating .25 over gypsum board

Features

Anti-Microbial Additive
