

Reedland Lustre

TFC1080 – Frost

Thom Filicia

“Effortlessly Chic with a Nod to Nature”

Neutrals and jewel tones work together flawlessly to create Reedland Lustre. The chic coloring compliments the bold pattern without overpowering the soft vertical waves that comprise this unique design. However, it is the horizontal Mylar that takes this style from ordinary to extraordinary.

Specifications

Content Non-woven backed Mylar
Width 52", 50.5" Match Repeat
