Y46165BC – Shell Pink

Vycon Contract

We took a little liberty with Boucle's definition to emphasize its irregular textured weave with a play on its yarn-like fabric look that maintains a loopy appearance.There are highlights and lowlights that create its natural nub effect for an easy-to-use-anywhere wallcovering. Boucle offers a highly versatile textile texture with Illuminato's unique and elegant silky finish. MDC has distribution rights of this product in select states as detailed below.
