

Illuminato Boucle

Y46171BC – Burnished Bronze

Vycon Contract

We took a little liberty with Boucle's definition to emphasize its irregular textured weave with a play on its yarn-like fabric look that maintains a loopy appearance. There are highlights and lowlights that create its natural nub effect for an easy-to-use-anywhere wallcovering. Boucle offers a highly versatile textile texture with Illuminato's unique and elegant silky finish. MDC has distribution rights of this product in select states as detailed below. Illinois, Indiana, Iowa, Kentucky, Michigan, Minnesota, North Dakota, Nebraska, Ohio, Western Pennsylvania, South Dakota, West Virginia and Wisconsin.
