Pave Y46302PV – Olive Yew

Vycon Contract

Pavé literally means a setting of small, precious stones placed as closely together as possible on the surface of a metal so that no metal shows through. This resembles the paving done with bricks, stones or tiles. Pavé is inspired by deeply woven textiles. This faceted pattern paves the wall with rows of this diamond-like pattern giving the appearance of a brilliant, encrusted, cobblestone road across the wall. Pavé offers a grand illusion! MDC has distribution rights of this product in select states as detailed below. Illinois, Indiana, Iowa, Kentucky, Michigan, Minnesota, North Dakota, Nebraska, Ohio, Western Pennsylvania, South Dakota, West Virginia and Wisconsin.

Specifications

Content Fabric-backed Vinyl Width 54" Roll Length 30 yards Weight (oz/lyd) 20 Weight (oz/sqyd) 13.33 Type Type II Backing Osnaburg Scrub Cycles 300 Pattern Match Random non-reversible Fire Rating Class A Flame Spread 20 Smoke Developed 45 Tensile Strength 50 warp/55 fill

Environmental

NSF 342 Recyclable CA 01350 CHPS

Features

Heavy Metals Free Formaldehyde free Made in the USA CE
