

## Rivulet

### Y46566RU – Enlightened Gold

#### Vycon Contract

Rivulet is an opulent combination of thick and thin angular lines that creates a powerful impact. The matte texture has the illusion of being woven with shimmery fibers that generates a luster. Choose trend neutrals like Glacier White or Pale Driftwood or the deep tones of Red Maple or Copper Cabin. Rivulet coordinates with Rivulet Stream's textural design. MDC has distribution rights of this product in select states as detailed below.
