

Alder Wood

Y46706AW – Distressed Teak

Vycon Contract

Alder Wood is Vycon's response to interior design's strong push to add natural elements to special projects. Alder Wood gives the designer a chance to use a durable wood with an array of natural color, or to add interest with its subtle paneling. The extra touch of metallic gives Alder Wood a modern take on this new emboss. With 19 rich choices Alder Wood is a great way to transform any installation. MDC has distribution rights of this product in select states as detailed below.
