Y46895PZ – Breathless

Vycon Contract

With Art Deco influences, prism is the synergy of layered reflections of light, angled contours and a trend-forward design. The unexpected texture evokes the aging of silver in antique mirrors. Fusing a sense of historical timeliness with an edge statement, Prism has 7 color statements including Prohibited, Gatsby's Gold and Reflection. Prism coordinates with Spectrum. MDC has distribution rights of this product in select states as detailed below.
